

# NINE DAYS TO VICTORY

1. The month of Nisan (Canaanite) or Abib (Babylonian) was the first month in the Jewish calendar. What time of the year was it according to our modern calendars? Exodus 12:2; 13:4; 23:15; 34:18; Deuteronomy 16: 1; Nehemiah 2:1; and Esther 3:7. Note what was to happen on the 10<sup>th</sup> day and the 14<sup>th</sup> day.
2. **The pre-Holy Week** events are important to understand. Read John 11: 17-44. What impact would the raising of Lazarus have on the religious and political enemies of Jesus? On the common people. John 11:45-48? How did the Sanhedrin react to the raising of Lazarus? What was the “straw” that broke the “camel’s” back? (v.53.) Where did Jesus go after this miracle and for how long? Who knew when Jesus would come to Jerusalem? John 11:54-57.
3. **8<sup>th</sup> of Nisan – Day One- Saturday** (Friday sundown to Saturday sundown) – John 12:1-11. Bethany is a few miles east of Jerusalem. Why did Judas object to Mary’s use of her perfume? What was his “position” as an apostle? How good was he in his job? What would the crowds do regarding Jesus movements when they returned to Jerusalem?
